

“Sadaqa does not decrease your wealth.”

Invest MAC MGS is a fundraising campaign to help MAC MGS achieve its objectives so parents can reap the benefits of the expansion sooner. Please, make the right intention, fill in this form and return with the registration package.

What are the facts?

- Currently MAC MGS has about \$1.8 million in capital debt.
- We do not receive any government financial support.
- The cost of education is much more than what parents are paying at MAC MGS! Ministry of Education province-wide annual average budget is approximately \$14,000 per pupil.
- Investment in education supports steady improvement in student achievement.

What is our goal? To raise \$600,000 yearly to help us;

- Payoff MAC MGS \$1.8 million capital debt.
- Continue much needed renovations at MAC MGS which are currently on hold.
- Help sponsor low income families to attend the school.

How can you help us? ***Put your money where your child is!***

- **Join our family of support with an everlasting onetime gift of \$5,000 per family towards the capital cost of MAC MGS and its renovations.**
