Assalamu Alaikum Dear Parents and Guardians,

Below is a list of required supplies for this school year. Please note that some supplies, e.g. notebooks and duotangs, will be provided to students by the school this year.

Students should bring the entire list of supplies on the first day of school. In primary grades (JK to grade 2), supplies will be collected and passed out as required. Please refrain from purchasing special supplies that your child may not be ready to share with the class. Some supplies such as pencils, crayons, or glue may need to be replenished during the year as students may run out of them. Occasionally, teachers may request special supplies for a specific activity or project. Your cooperation is greatly appreciated.
