NATIONAL HIJAB DAY: FEB 1

National Hijab day is observed every year on Feb 1 to honor Muslim women. We would encourage our students to wear hijab on this day.

SAFER INTERNET DAY: FEB 7

Safer Internet Day is observed every year on the second day (Tuesday) of the second week of February. The Internet provides a huge window of opportunities, helping us to gather information, communicate, and take our students outside of the four walls of the classroom to experience what the world has to offer. With all technology, we want our students to use their devices safely, respectfully and appropriately. This year's theme for Safer Internet Day will be **"Together for a better internet"**.
