Assalamu Alaikum Parents!

Alhamdulillah the 2021-2022 year is now complete. You should have received your child's report card over the weekend.

School fees for JK to Grade 8 will be processed through automatic withdrawal on August 1, 2021 to May 1, 2023.

Due to the impact of COVID-19 on the previous school years, we highly recommend all of our students take advantage of math and language opportunities wherever possible over the summer. Please review the mathletics packages created by the homeroom teachers, posted on the Google Classrooms. Additional activities are available here:

- [Summer Pack for Grades K-2](#)
- [Summer Pack for Grades 3+](#)
- [Mindfulness Classroom Pack](#)

Please note that live streaming will no longer be available in the new school year. If your child is in Grades 4 to 7, and you would like distant learning, please contact [Olive Grove Virtual School](#).

You will be emailed your child's homeroom placement by September 2. Please ensure we have an email account on file that you check regularly. OGS Administration frequently uses email to communicate important news over the summer and throughout the school year.

School will start again on Tuesday, September 6, 2022 at 8:25am.

Formal uniforms will resume in September. We strongly encourage you to purchase items at [McCarthy's](#) (360 Evans Avenue in Etobicoke) immediately. If the OGS embroidered merchandise is not in stock, McCarthy's offers delivery options. Students will be required to be in full uniform by September 12, 2022. Please see the detailed uniform information sheet attached in this email. Any clothing item not from McCarthy's is not permitted.

Stay in touch by ensuring we have a valid email address for you by emailing info@olivegroveschool.ca and requesting to be added to our mailing list. You can also follow us on facebook and instagram by "liking us" from the link on the home page.

We encourage parents to minimize screen time for their children, as we are seeing the impact of extended screen time on the learning and social development of our students and community. Let's encourage our children to build their deen, spend time outdoors, volunteer, stay active, and have positive social interactions with friends, family and the community.

Thank you for your commitment to your child's education and we look forward to a great year ahead.

Have a great summer!

JazakAllahu Khairun
Sarah Attia, Principal
