About OGS

This year - we celebrate 17 years at OGS. The school has grown from its early days of hosting 75 students, to now reaching almost 1200 students from preschool to high school. The school's reputation precedes it, with over 2000 students on the waiting list.

About our Staff

OGS teachers and support staff are an integral part of our children's future, and go above and beyond to keep our children on-track through any challenges.

Staff Appreciation Dinner

To recognize and appreciate our staff's hard work and dedication to the school and our children, this year we are inviting them to a relaxing evening of food and games with their colleagues.

We need your help to make this a memorable evening in honour of the school staff !

Sponsoring this event at OGS has a number of benefits to your business or organization

- Your business will benefit from a large target audience in the Greater Toronto Area – students come from as far away as downtown Toronto, Burlington, Milton and more
- OGS is a project of the Muslim Association of Canada (MAC), and the audience is far beyond the school community. With many major events and venues run by MAC, our marketing tools can reach out to more than 10,000+ in the GTA and surrounding vicinity
- Your business will be marketed in a number of ways electronically, including: our website, social media, morning announcements and directly with the teachers.

Our team can work with you to customize the package to suit your needs!
