## SECTION 4 — CONDITIONS OF ELIGIBILITY

*With Allah (swt) as my witness, I certify and understand the following:*

1. My children will attend a MAC-affiliated school for the upcoming school year.
2. Our total household income does not exceed the amount identified in the Appendix table.
3. The tuition assistance grant pays 10 to 30% of the school's tuition directly. I am required to pay the remaining tuition and any additional fees on time.
4. Payments from the MAC Education Fund continue only while my children are enrolled at the MAC-affiliated school and I remain current on my payments.
5. The MAC Education Fund is solely responsible for grant decisions, and all decisions are final.
6. If approved, I understand that all or part of the grant comes from Zakat funds. Inaccurate, fraudulent, or misleading information constitutes misuse of Zakat funds.
7. I am obliged to verify my income and assets to prove financial eligibility.
8. I agree to allow the MAC Education Fund access to my children's past and future school records to evaluate program effectiveness. Academic records will not impact the grant.
9. If applications exceed available grants, a random selection will be conducted. Only selected families will be contacted via email.
10. It is solely up to the MAC-affiliated school to accept my child. A grant does not guarantee admission.
11. I agree to release the MAC Education Fund from any liability in its efforts to provide a tuition assistance grant.
12. Tuition assistance grants are renewable annually provided recipients continue to meet eligibility requirements and remain in good standing.
13. I agree to notify the school of any changes in social or financial circumstances within 14 days. Failure to do so may result in recovery of overpayments and cancellation of the grant.
